For the 2025 Winemaker Magazine Competition the Contra Costa Wine Group has enlisted the assistance of BOXES – 995 Detroit Ave, Unit A, Concord CA 94518 for shipping to the Winemaker Magazine International Amateur Wine Competition. BOXES is located 3 doors down from More Beer, More Wine in Concord. The phone number is 925-686-6204. Josh will handle the shipping for you.

Going through BOXES is the best way I know to ensure your wines arrive at Vermont in good condition and on time.

Preparing for BOXES:

1. If you have an old shipping box, bring it to reuse, it will save you some money.
2. Have all the bottles you are entering properly labeled. Check the Winemaker Magazine (WM) Competition Rules for Instructions.
3. Have a copy of your (WM) entry form to be included in the shipping box.
4. Have a check made out to Winemaker Magazine for your Competition entry fees to be included in the shipping box.
5. Have a check to pay BOXES. Josh will determine exactly the amount of the shipping.
6. Don’t wait until the last moment to send in your entries. The wines must arrive in Vermont by March 7, 2025. Plan on having your entries to BOXES by February 15, 2025.

If we are successful defending our title as “Club of the Year”, every CCWG member or CCWG team that enters and earns a medal at Winemaker Magazine, will also receive a CCWG Club of the year medal from CCWG.
